

**Saskatchewan Association of Naturopathic Practitioners  
Policies and Procedures**

**Multi-Level Marketing**- *Adopted April 5, 2009*

Members may prescribe and dispense Multi-level Marketing or Network Marketing (hereinafter called MLM) products as part of their professional practice only under the following provisions:

1. The Registrant must not recruit patients or allow the recruitment of patients in their practice by staff, spouse or family member, as part of a MLM where the Registrant derives direct or indirect benefit from that recruitment or the products that are sold by that recruitment;
2. The Registrant can be engaged by an MLM or Supplement/Device Manufacturer or Distributor for professional services, research and development or promotional services only if :
  - a. the payment for these services is on a salary or fee for services basis, and not by a commission or percentage of sales basis
  - b. the products and devices, and the uses and claims associated with the use of these products comply with the following Board policies, guidelines and regulations:
    - i. SANP Scope of Practice (to be developed)
    - ii. SANP Standards of Practice
    - iii. Guidelines for Advertising
    - iv. Professional Misconduct and/or Incompetence Policy
    - v. Guidelines for Dispensing of Substances and Devices
